They will not be supplied with any 'thick' paper for the purpose, but will be allowed to bring with them their own 'thick' paper if they wish to use such paper. If the machine used by a candidate, however, goes out of order, no examination will be given to him to compensate for loss of time while the machine is out of order, and being put right.

6. *Typewriting*.—Candidates of institutions who are desirous of their pupils in this subject to be able to examine in batches, should make the necessary arrangements with the Chief Superintendent at least seven days before the examination in this subject and furnish him with all necessary information as to the number of candidates and in batches and the time at which each batch should attend on the day fixed for the examination.

At least every two candidates must have a machine between them for the batch examination.

Instructors of institutions concerned will be allowed into the examination room in the intervals between the examinations of the various batches to repair the machines and to remedy any defects.

If a candidate reports to the Superintendent that his machine has gone out of order, the Superintendent will intimate the fact to the instructor if he is waiting outside on the premises and will permit him to enter the room (though the candidate may be at work) to inspect the machine and to remedy the defect or to supply another machine. It must, however, be clearly understood that the Superintendent incurs no responsibility in this matter; his action will be purely *ex gratia*, the whole responsibility resting on the candidate and the instructor. *No extra time will be given to a candidate to compensate for loss of time while the machine is out of order and being put right.*

7. *Needle-work and Dress making.*—Candidates must bring to the examination room scissors, thimbles, needles, measuring tape, materials for the fancy work, specimens of their finished work, and sewing cotton.

8. A copy of the nominal list for the examination will be posted at the entrance to the examination hall a day or two before the examination, and candidates will find the numbers of their Secondary School-Leaving Certificates from this list.

9. Attention is drawn to the following rules:—

(1) Strict silence should be maintained in the examination room.

(2) No candidate will be allowed to enter the examination room unless he wears a clean and decent dress, and in all cases where good manners require it, a suitable covering for the head, nor will he be allowed to keep his shoes on unless they are shoes of English pattern and socks and trousers are worn also.

No candidate suffering from any contagious disease will be admitted to the examination room.

(3) Candidates should take their places in the examination hall at least five minutes before the time fixed for giving out the papers. No one will be allowed to quit the examination room on any day until the expiration of half an hour from the time fixed for the commencement of the examination, and candidates arriving after the expiration of that half an hour will not be admitted.

(4) No candidate will be allowed to re-enter the examination room during the hours of examination after once quitting it, nor to leave the room without finally giving up his answers.

They are not allowed to exceed the time assigned to each paper.

(5) Any candidate detected in speaking to, or in any way communicating with, any other candidate will be at once removed from the room and the circumstance reported to the Secretary to the School-Leaving Certificate Board, Madras, for necessary action.

(6) No candidate will be allowed to take into the examination room, slates, books, ruled sheets, manuscripts or papers of any kind. Any one detected in the violation of this rule or having recourse to any unfair practices will be removed from the room and the circumstance reported to the Secretary to the School-Leaving Certificate Board, Madras, for necessary action.

(7) Candidates are prohibited from noting down the answer to any question on the question paper itself.

(8) Any candidate who communicates with the examiners or who does not behave properly towards the Chief and Assistant Superintendents of the examination or is suspected of having had recourse to malpractices of any kind is liable to have his examination invalidated and also to be debarred from appearing again for any of the examinations.

(9) Candidates whose names are not in the printed list furnished to the Superintendents must

submit a written declaration through the Superintendent giving full particulars in regard to themselves, including their address, and furnish such evidence as may be possible of their having applied for admission to the examination at the proper time and paid the prescribed fees. The answer of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

(10) Candidates choosing to change their place of examination without previous permission, or appearing at any centre other than the one at which they ought to have appeared, must not expect to have their answers valued. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

(11) A candidate having completed his paper will rise from his seat and remain standing until the Superintendent takes his answer books. Any candidate wishing to ask any question of Superintendent will pursue the same course, but will on no account leave his place.

(12) Any answer-books sent up without the candidate's name and number affixed will not be valued. The answer-books should be fastened together at the left hand corner, the additional answer-books being placed below the answer-book. In the case of needle-work and dress making the work of candidates should bear the name and number tacked on the outside of garment.

(13) Candidates will not be allowed to take any papers, except their question papers, out of the examination room.

(14) Candidates may have to write their answers on both sides of the paper supplied to them and in this case they will receive the necessary instructions on this point in the examination hall from the Chief Superintendent of the Examination.

(15) Candidates are forbidden to tear up papers or to throw ink or papers on the floor.

Order XL

Substitute the following for the present Rules 10, 11, 13, 15 and 19:—

10. The Registrar, High Court, shall make an entry of the decrees or orders of the Court in his book, and he shall mark "entered" on the copy of the decrees or order produced to him and subscribe his name thereto, and shall (except in the case provided for by rule 14) certify under his hand at the foot of the said copy of the decrees or order to the Secretary and Treasurer of the Imperial Bank of India that he is to receive from the person or persons mentioned in the said decrees or order the money, effects or securities mentioned in the said decrees or order, or that he is to pay or deliver out to the person entitled thereto under the said decrees or order the money or effects mentioned in the said decrees or order, specifying the amount and particulars thereof, and that he is to place the same to the debit or credit, as the case may be, of the suit in which the decrees or order is made. Where, however, the decrees or order directs the delivery to the person entitled thereto of securities in the custody of the Imperial Bank of India the Registrar shall by a letter request the Secretary and Treasurer of the said Bank to forward the said securities to him. The Registrar shall then deliver the securities after making the necessary endorsement to the person entitled thereto.

11. In cases where the money or securities to be received by the Secretary and Treasurer of the Imperial Bank of India have already been deposited to the credit of the Civil Courts Deposits or have been deposited in Court, the Registrar shall transmit the said moneys or securities or the receipt for the same to the Imperial Bank of India together with his certificate. In all other cases the said copy of the decrees or order with the certificate of the Registrar thereon shall then be taken to the Secretary and Treasurer of the Imperial Bank of India by the person or persons ordered to pay or deliver into the said Bank the money, effects or securities mentioned in the said decrees or order and certificate or to receive out of the said Bank the money or effects mentioned in the said decrees or order and certificate or by his or their pleader or authorized agent. The said Secretary and Treasurer of the Imperial Bank of India shall, pursuant to the decrees or order receive from the person or persons mentioned in the said decrees or order and certificate or from his or their pleader or authorized agent, the money, effects or securities specified therein, or pay out and deliver to the person or persons so mentioned or to his or their pleader or authorized agent the money or effects specified therein, and shall make an entry thereof in the book to be kept by him for that purpose. In cases, however, where securities have to be delivered to the person or persons entitled thereto under the said decrees or order the said Secretary and Treasurer shall on being requested in writing to do so by the Registrar send the said securities to the Registrar, High Court, for direct delivery to the said person or persons or to his or their pleader or authorized agent, and shall make an entry to that effect in the book to be kept by him for that purpose.

12. When any money or effects are paid out or delivered by the Secretary and Treasurer of the Imperial Bank of India, the person or persons receiving the same shall give a receipt to the said Secretary and Treasurer, which receipt, together with the said copy of the decrees or order and the certificate of the Registrar shall be filed of record in the office of the said Secretary and Treasurer, and shall be a sufficient acquittance to the said Imperial Bank of India for any sum of money or effects so paid over or delivered to the party entitled to receive the same under such decrees or order and certificate. Provided that, when the decrees or order requires the payment to any person or persons of the interest upon any Government securities as it

securities due, no certificate by the Registrar to the said Secretary and Treasurer of the Imperial Bank of India shall be required to authorize the payment of such interest by the Secretary and Treasurer of the Imperial Bank of India; but the Registrar shall draw a cheque upon the said Secretary and Treasurer for the amount of such interest when due; and the person or persons entitled thereto, or his or their pleader or authorized agent shall take the said cheque to the said Secretary and Treasurer, who shall thereupon pay the amount mentioned therein to the person or persons entitled thereto, or his or their pleader or authorized agent and the said cheque shall be filed of record in the office of the said Secretary and Treasurer. In the case of securities, the person or persons receiving the same shall give a receipt to the Registrar, High Court, and get the securities from him direct; and the said receipt shall be filed with the connected papers in the Office of the Registrar, High Court.

18. If the amount or value of the money, effects or securities to be paid out is below five hundred rupees, or under special circumstances during any adjournment of the Court, a Judge in chambers or Master in chambers may make an order for the payment or delivery of the money or effects out of the Imperial Bank of India and of the securities out of Court.

19. Unless the Court shall otherwise direct, every decree or order for the payment or delivery out of Court of money or securities for money deposited in Court in conformity with the last preceding rule shall direct such money to be paid by the Secretary and Treasurer for the time being of the Imperial Bank of India (or such other office or officers as shall for the time being have the custody of the funds of suitors) with the privacy of the Registrar. The securities, however, shall be transmitted by the said Secretary and Treasurer or Officer or Officers to the Registrar, High Court, to be delivered over direct by him.
